          |F                                |Am
You're just too good to be true Can't take my eyes off you
            |F7                      |Bb
You'd be like heaven to touch I wanna hold you so much
          |Bbm7                      |Am      D7
At long last love has arrived And I thank God I'm alive
        |Gm              C7              |F
You're just too good to be true Can't take my eyes off you
          |F                                |Am
Pardon the way that I stare There's nothing else to compare
          |F7                               |Bb
The sight of you leaves me weak There are no words left to speak
        |Bbm7                      |Am            D7
But if you feel like I feel Please let me know that it's real
          |Gm            C7                |F
You're just too good to be true Can't take my eyes off you
